Caution for COVID-19

Lately, COVID-19 infection is real threat on our lives.

We're committed to keeping you safe on public transportation. From hand sanitizer to crowding information, we've got you covered.

To prevent the virus infection, we take the measure as follows:

- ✓ We sanitize the inner space of the bus using the ozone generator, which is effective for sanitization and deodorization. It is effective against the coronavirus. We keep all passengers safe and clean.
- ✓ All passengers and drivers are required to wear masks to prevent the virus infection.
- ✓ Keep a safe distance to prevent the spread of the virus. Please leave a space between you and the next person and sit down.
- ✓ We have hand sanitizers in our buses. After entering, please sanitize your hands. while enroute, we open windows for proper airflow.
